

Engineering Services Department
City of Frisco, Texas

Memorandum

To: Honorable Mayor Maso and Members of the Frisco City Council

Cc: George A. Purefoy, City Manager
Ron Patterson, Assistant City Manager
Elizabeth Metting, P.E., Assistant Director/City Engineer

From: Lori Chapin

Date: 01/20/2009

Agenda Caption: Public Hearing: Municipal Storm Water Utility System and Municipal Storm Water Utility System Fee Schedule.

Action Requested: Public Hearing for the consideration of an ordinance to establish a Municipal Storm Water Utility System and an ordinance to establish a Municipal Storm Water Utility System Fee Schedule.

Background Information: A public hearing is required in order to establish a Municipal Storm Water Utility System and a Municipal Storm Water Utility System Fee Schedule. The City contracted with Freese and Nichols, Inc. on March 8, 2008 to develop a Storm Water Utility System as a funding mechanism for the state mandated Phase II Municipal Separate Storm Sewer System (MS4) requirements addressing storm water quality standards.

The public hearing was initiated on December 16, 2008, in which City Council requested additional information regarding residential fee structure options. The next item on the agenda is for Council consideration of the aforementioned ordinances and provides a detailed memo and power point presentation providing additional residential fee options that include a single rate and a two-tier fee structure as requested.

All public notices required for this hearing have been completed.

Board Review/Citizen Input: None.

Alternatives: City Council could consider the following alternatives:

- Hold Public Hearing
- Continue the Public Hearing providing time for additional input.

Financial Considerations: None.

Legal Review: N/A.

Supporting Documents: The following supporting documents are provided:

- Ad for public hearing.

Staff Recommendation: Staff recommends conducting the Public Hearing.
